That the Occidental bunch	of ball	to

ers is a hard crowd to beat was again demonstrated yesterday when Murray got a little of the same dose the colored champions have been handing out to the McKean, rf. a little of the same dose the colored White Wings of late.

It was the Occidentals' initial game as full-fledged league members, and today they head the list with 1.000 per cent. The score was 8 to 3, and shows just about how much better they played ball at the Lagoon yesterday afternoon. A big crowd journeyed out to Mr. Bamberger's resort to see the game, and the

crowd got its money's worth. It was a fast ball game all the way through, and because Murray came out at the small end of the score it should not be thought for a moment that the Murray team did not play ball. But the colored boys had that big chocolate colored youth from the banks of the Missouri in the pitcher's box. and the way Langford worked was a marvel. It was the same Langford who made the biggest part of the trouble in the run getting line when, in the second inning, with two out, he stepped up to the plate and slammed a ball over the left field fence, about twenty feet high, and cleared the bases.

German was in the box for Murray, and pitched fairly good ball. He weakened in the seventh and it cost the team three runs before he got down to business again. Both teams gave their pitchers good sup-port, in fact they played about as well as in any games this season. Although four errors were chalked up against each team. none of them was of the costly kind that have raised such havoc with the Salt Lake team this season. The score:

Again. (Special to The Herald.) Eureka, July 24.—An old-time crowd at-tended the baseball game here today betended the baseball game here today be-tween the Eureka and Park City teams, the former winning, 13 to 5. Ames and Taylor formed the battery for the visit-ors, and Thompson and Theriot for the home team. In the fifth inning Park City scored four runs, through two two-baggers and three Eureka came back with one and Park City scored again in the sixth. Up to this time the grade of ball was very good, but when Eureka went to the bat in the eighth Park City went to pieces, the home players finding Ames for six hits. two-baggers and one three-bagger, with three errors, enabled Eureka to score eleven runs. Thompson struck out nine men and Ames five. Two doubles were pulled off by the Park City team. Nine hits were scored off Thompson and ten off Ames. Big Crowd Sees White Wings Defeat

(Special to The Herald.)

Ogden, July 24.—By superior stick work and better all around playing Salt Lake defeated Ogden at the fair grounds ball park this afternoon by a score of 9 to 2. The game was a listless one, there being but few features.

Sponberg and Chevalier were the opposing pitchers. Although Spongberg struck out eleven men, he was unfortunate in letting the visitors bunch their hits when hits meant runs. This, backed up by the five errors on the Ogden side, tells the tale. While Ogden had an off day, Salt Lake played snappy ball and at no time after the first inning did the Gimlinites have a look-in. have a look-in.

There was considerable kicking on the

part of the spectators over the umpiring of West, but in the main the kicks were not well founded.

Chicago Nationals Sign Spongberg

(Special to The Herald.)

Ogden, July 24.—Carl Spongberg, the big Swede who has been doing such good work in the box for the local state league season, has been signed by Frank Chance to play with the Chicago National league team, and will leave for the Windy city in a few days. Some days ago Chance wired Spongberg offering \$300 a month. Carl wired his terms and yesterday Chance came through with \$150 advance money and transportation to Chicago. The telegram received yesterday instructed Spongberg to make all haste to get away, as they needed him badly in the east, where the team is now playing. Spongberg will likely remain here until Monday, so as to do the twirling act for Ogden against the Occidentals on Sunday. While this will hurt Ogden's team to some extent, a new pitcher will be here in time for the games next week.

Could Not Have Finished.

His part in the race for all practical purposes was ended when he entered the stadium, for unless he received assistance

he could not have finished. While this pathetic scene was being enacted, the American, Hayes, entered the stadium, comparatively fresh, and trotted around. Hayes, the winner of the Marathon race today, is 21 years old and is em-ployed in a New York department store. He is not new to long-distance running, having won the twenty-five-mile Mara-thon race in Boston last year. In that contest, as today, he ran a strong race from start to finish and was in good condition at the end of the long journey.

Eureka, July 24.-It was not a very large crowd that attended the ten-round boxing exhibition here today at the baseball park to witness Chris Mussen of Detroit knock out the Kirby Kid of Seattle in the third round by a blow to the solar plexus. The first round was an even one, both men evidently sizing each other up, but there was some fast spurting which pleased the crowd. Honors were even. In the second the fighting was faster, the Detroit boy showing the best ring generalship and having much the better of the round. In the third and last round both men went after each other furiously and within a minute of the time of the gong Musser landed savagely on Kirby and the latter keeled over and took
